SCBCH's 'Measures to Reform'

The new Administration and Congress will again attempt comprehensive health care reform. The South Carolina Business Coalition on Health hopes the outcome will be an agenda that includes the following:

- Expanded coverage to include most, if not all, of the 46 million Americans currently uninsured.
- Enhanced coverage for proven prevention interventions.
- Payment Reform, with an emphasis on Chronic Disease Management and Patient –Centered Medical Home.
- National Quality Performance Standards for health plans, hospitals and physicians.
- Increased cost and quality transparency for health plans, hospitals and physicians.
- Incentives that promote personal responsibility.
- Support for the development of an integrated electronic medical record system.
- Preservation of employer based health benefits.
